

Looking for funding to maximize your client claims? Talk to us about Expert Financing.

What it is:

Expert assessments are a large part of a personal injury lawyer's disbursements and a huge draw on operating cash flow. As such, we have created our Expert Financing solution to provide access to the Independent Medical Expert reports you require today, with no payments until settlement.

We have established an extensive network of companies across Canada to help provide you with timely access to medical assessment services so you can focus on maximizing your client claims.

How it works:

- We work with you to establish a line of credit, based on your specific needs
- You utilize any of our partners to source an expert or service
- The partner completes the assessment service and sends us the invoice
- You pay the invoice amount to Easy Legal upon the settlement of the claim

Key loan details:

- Three-year term
- No interest for 24 months
- No payment until settlement
- No file review
- No work for your firm

Our application process in three easy steps

Our process is fast and efficient –

with the necessary documentation completed, you may receive funds within 48 hours.

Step 1

Contract

- We discuss the process, the amount required to meet your needs and will provide you with a contract for review and answer any further questions

Step 2

Approval Process

- As part of our approval process, we require your submission of two pieces of personal identification, a copy of the business name (title) registration
- We will also perform Law Society Review, PPSA and BIA searches, prior to funding

Step 3

Funding and Process

- Once the executed contract is received you can contact any of the partners on our program to source an expert/service
- The partner completes the assessment service and sends the invoice to you and cc's us
- We email you for authorization to pay the face value on the invoice
- You reimburse the loan amount to Easy Legal upon the settlement of the claim. If the file is settled within 24 months, no interest is charged
- We keep extensive records on sign-off and approvals as well as the payments to the partners – removing the administrative burden from you and your team
- Two months prior to the interest trigger date, an email reminder is sent to you, followed by a further email advising that in one month the interest free period expires
